

Assignment:
TESTT-1

This report summarizes the overall quality of your edited manuscript. For each section, we provide specific comments on the quality and these are substantiated by examples (where available)

Structural Review

Overall Manuscript

- This manuscript is in line with the intended audience.
- The structure of the original manuscript is perfect, and it does not need revision.

Title & Abstract

- The title is sufficiently informative and concise.
- In addition, it has been carefully checked to ensure that it clearly conveys the aim of the study.
- Abstract not given for editing.

Introduction

- Introduction not given for editing.

Materials and Methods

- Materials and methods were not provided for editing.

Results

- Results were not provided for editing.

Discussion

- Discussion was not provided for editing.

Assignment:
TESTT-1

This report summarizes the overall quality of your edited manuscript. For each section, we provide specific comments on the quality and these are substantiated by examples (where available)

Peripheral Text Review

Figures and/or Tables

- The figures and tables are complementary to the main text and are devoid of errors.
- They have also been cited in the main text at appropriate places.
- Note that the legends are complete and accurate.
- Every figure and/or table can stand alone without reference to the main text.

Bibliography

- ⚡ References were not provided for editing.

Content, Terminology, Style, and Format Review

Content

Terminology

- The terms used in the manuscript are valid in the field.
- The scientific terminology and representation are appropriate and consistent.
- The scientific nomenclature (gene names, protein names) is in order throughout the text.

Assignment:
TESTT-1

This report summarizes the overall quality of your edited manuscript. For each section, we provide specific comments on the quality and these are substantiated by examples (where available)

Style

- The capitalization/italicization/number style is as per the conventions of the subject area.

Journal Format

- We have not formatted your document
